# HOME-COLLEGE AGREEMENT

We know that outstanding learning is the key driver to success and that your role is vital in ensuring that students at Dyke House College are fully supported throughout their school life.

We have a strong deep-seated belief that the highest standards of behaviour and teaching and learning provide the cornerstone of our relentless focus on high achievement in all aspects of the college. Because of this, we have a persistent focus on high standards in every aspect of college life; learning, behaviour, attitude, punctuality and uniform. Consistency is the key throughout all our work where we insist upon a commitment to shared values from students, staff and parents/carers.

By signing this agreement, we all accept responsibility for supporting students to achieve their best.
